Lucky and Cleo-patty are happy to be perched in the windows - watching cat tv. Believe me, Lucky and I will not complain about being cold anymore. On the hottest days in June, the central air went out. Yowzes it was nasty. Then a storm came through. I took the cats to the basement but forgot a flashlight. A big tree fell in our yard but did not hit anything important. Thank goodness the chain saw fairy came and helped us out.

Oh so much is going on this summer for quilters! Lucky and Cleo invite you to the following:
