Lucky thing baby Lauren arrived early in October and we did our traveling over Thanksgiving to see five little grandchildren (and two children) in Colorado and Missouri because.... December sure let us know that winter arrived. Since it is so cold and blustery outside, now is a good time to do some serious sewing. There are many projects, clubs, classes, camps planned that use all new fabrics (Nature's Notebook by April Cornell in blues and yellows, Civil War fabrics from Blue Hill- a new company, Spring Fever by My Sister and Me to name a few) that are arriving this winter.

2nd Anniversary Celebration January 2010

Another year has flown by and what a wonderful year it has been. A new building and all my quilting friends make this the best job in the world. Stop in the shop anytime in January (since we cannot count on the weather cooperating any day or week that I might choose) for sales. January's theme is cupcakes - cupcake purse, cupcake Itty Bitty, cupcake fabric, cupcake apron and of course real cupcakes the week of Elvis' (and my) birthday.
